

# Workforce Training Resources

Businesses will find support for their workforce development efforts from the available training resources, education institutions and community workforce development efforts our region has to offer.

## Wayne County

A proud partner of the American Job Center network

### OHIO MEANS JOBS: WAYNE COUNTY

**Ohio Means Jobs: Wayne County provides seamless and professional services in one convenient location.** The local office located in Wooster offers a wide array of employment and training services. From the job seeker desiring a career change to the employer looking for a pool of skilled workers, Ohio Means Jobs is ready to help with your specific needs.

The University of Akron  
Wayne College

### THE UNIVERSITY OF AKRON WAYNE COLLEGE CAMPUS

**Continuing and Professional Education at The University of Akron recognizes that companies have unique differences.**

Through the Akron Campus, Wayne College looks to form a working partnership with organizations to assist with developing and implementing strategies that will achieve new goals or solve current problems. Training programs provide flexibility, experienced trainers and consultants with real-world experience.

### OHIO TECHCRED

**Ohio's TechCred Program gives employers the chance to upskill current and future employees in today's tech-infused economy.** Employers who submit successful applications will be reimbursed up to \$2,000 per credential when current or prospective employees compete eligible technology-focused credentials. The program encourages employers to partner with the training provider that will most effectively meet their needs. Eligible training providers include universities, community colleges, technical centers and private training providers.

THE OHIO STATE UNIVERSITY

COLLEGE OF FOOD, AGRICULTURAL,  
AND ENVIRONMENTAL SCIENCES

## THE OHIO STATE UNIVERSITY CFAES WOOSTER CAMPUS

**The Ohio State Business Training and Educational Services is a leader in workforce development and their performance improvement training focuses on developing a high-performance workforce that is critical to business success.**

Taking a collaborative approach, the institution's Business and Training Services staff in tandem with key-decision makers utilize critical thinking in order to develop a plan that meets a business's unique needs. Ohio State CFAES Wooster Campus delivers a full spectrum of worker training from conducting the initial needs assessment to delivering customized training or individual coaching. Flexible training times and locations are available.

## WAYNE COUNTY SCHOOLS CAREER CENTER

**The Wayne County Schools Career Center (WCSCC) provides career and technical training to approximately 850 high school students and 3,500 adult students each year.**

For businesses and industries who are expanding, retraining, or relocating, WCSCC offers consulting services in Human Resource and Assessment, Industrial Training and Business Training. The WCSCC offers state-approved, full-time career development programs in nursing, welding, office and other fields important to the area workforce. The Wayne County Schools Career Center provides year-round, all-day options and individual, small group, large group, single or multiple session training.
